Steps to complete the Medication Authorization Form:

1. Determine if your child will need to bring prescription or non-prescription medicine to Shady Creek.
 - a. Do not send any of the following non-prescription medications because, with your signed permission, they are already available:

Advil (dysmenorrhea) (for fever or pain)	Tylenol (head/muscle aches)

All medication, both prescription and non-prescription, not listed above requires a physician's signature and complete (legible) instructions from the physician. We cannot administer any medication (prescription or non-prescription) you send for your child without this signed form.
3. Verify that all medications are properly labeled and authorizations have been given. Verify that:
 - a. All medications are in original containers.
 - b. All medications are properly labeled, (use masking tape if necessary), including:
 - 1) Camper's name (prescription must be for the student only, no other name will be accepted)
 - 2) medication name
 - 3) precise dosage instructions, quantity and frequency (prescription only)
 - 4) physician's name (if prescription)
 - 5) Spanish labels must be translated to English on the Authorization Form

 - d. All medications are listed on this signed Medication Authorization Form with proper instructions for administration.
4. Fold this form and place it in a zip-lock baggie with all the medications (both prescription and non-prescription in original containers) and have parent/guardian deliver medication to camp director or camp nurse upon arrival at Shady Creek.
 - a. Label the baggie with your child's name and emergency contact information (use masking tape).
 - b. DO NOT send any medication to the site in your child's suitcase.
 - c. Vitamins should not be sent to the site unless ordered by a doctor.
