THINK YOU ARE TOO OLD TO PARTICIPATE?

Counselor-in-Training (CIT): (Entering 9th grade through 12th grade) Have you ever dreamed of being a counselor at a summer camp? Come to Shady Creek as a CIT to develop your leadership skills and learn useful tips and fun games that can be implemented throughout your stay. Participate in a unique program designed just for you.

WHERE ARE WE?

Located just 15 minutes from historic downtown Nevada City, Shady Creek Camp rests in the foothills of the Sierra Nevada Mountains along Shady Creek, a tributary of the Yuba River and nestled on 130 acres of forest and chaparral.

WHAT ARE THE FACILITIES LIKE?

Campers will sleep in a cabin with up to eight cabin-mates and one counselor. Each cabin is equipped with bunk beds. Shower/bathroom facilities are just down the hall. The dining hall is a stunning work of architecture and the grounds are beautiful. There is a built-in swimming pool, basketball court, lower ropes course, and 130 acres of forest and chaparral for you to explore and learn about plants and animals. Campers will have the opportunity to hike to the creek and into the forest, learn new crafts, swim in the pool, and work together on the lower ropes course.

WHAT WILL MY DAY BE LIKE?

The camper's day will begin around 7:00 a.m. with a friendly wake-up from their cabin counselor. Everyone will head down to the dining hall for a nutritious, delicious breakfast prepared by none other than "Chef Lorenzo" (medical dietary needs can be accommodated with prior notification). Throughout the week, campers will have the opportunity to participate in fun activities such as sports, arts and crafts, swimming, and nature appreciation. Everyone will be asked to keep the cabin neat and tidy! Each day cabins will compete for an array of "clean cabin" awards!
